Bulletin No. 5728

DATE: March 22, 2011
TO: All Authorized SENTRY Extinguisher Distributors and Dealers
FROM: Product Management, Portables and Agents
SUBJECT: SENTRY Model 10H Phase-Out

On August 17, 2009, Bulletin 5571 introduced the new SENTRY AA10S Extinguisher which will become the sole 10 lb ABC model replacing the SENTRY A10H extinguisher. The SENTRY A10H will be available for the Suggested List Price of \$154.00 only until the current inventory is depleted. The SENTRY A10H extinguisher (manufactured prior to February 14, 2011) will continue to carry the 10-A:60-B:C rating and will be supported with replacement component parts for extinguisher maintenance until 2018.

The SENTRY AA10S model uses the same universal valve replacement components as other SENTRY products and was tested and listed to the new 2011 UL/ULC Harmonized Standard with a 4-A:80-B:C rating. All SENTRY 10S models offer the same features, benefits and performance you and your customers have come to expect from SENTRY extinguishers. See ordering information below.
